

## **Medical Specialties Distributors, LLC (MSD), and Outpatient Infusion Systems (OIS) announce Kevin Balban as new Oncology Area Manager for New England**

---

---

**Stoughton, MA – August 17, 2009** – MSD is pleased to announce Kevin Balban as the New England Area Manager for Outpatient Infusion Systems (OIS), a wholly owned subsidiary of MSD.

Effective August 1, 2009, Kevin will advance OIS interests in his new role as OIS Area Manager for the New England area, which MSD supports from its Boston area biomedical operations and distribution service facility in Stoughton, MA. Prior to this new assignment with OIS, Kevin has been a member of the MSD Sales Team for the past three years, successfully establishing relationships with numerous key accounts in home healthcare based out of MSD's Stoughton, Massachusetts corporate offices. Richard Worthen, MSD's Executive Vice President of Sales, stated, "Kevin has done a tremendous job in supporting MSD's home care customers resulting in substantial sales growth. Our expectations are that Kevin will enjoy similar success in the rapid development of MSD's initiatives into the oncology market, a natural matriculation from MSD's market leadership position in infusion therapy that is being led by Chris Good and the OIS team."

Chris Good, President of OIS, said, "We are excited to have Kevin Balban on our team as we develop the New England area oncology market. His product knowledge, sales skills and history of success are exactly what we need to achieve our future growth objectives. We look forward to great things from Kevin."

**ABOUT MEDICAL SPECIALTIES DISTRIBUTORS, LLC (MSD):** In December 2005, MSD acquired the assets of Medical Specialties Distributors, Inc., a company that had previously serviced the alternate-site market place since 1984. MSD continues to be a primary distributor of med surg product and biomedical equipment into the alternate-site marketplace. Recently, MSD launched a major initiative into the acute care market to support the equipment needs of hospitals nationwide. MSD's additional services include formulary development, online ordering, equipment management and tracking, and patient direct delivery programs. MSD is an authorized distributor for most of the healthcare industry's leading group purchasing organizations and is also ISO 9001:2000 & ISO 13485:2003 Certified.
