Medical Specialties Distributors, LLC (MSD) announces Sharps Disposal by Mail Online Tutorial

Stoughton, MA – February 2, 2009 – Medical Specialties Distributors, LLC (MSD), the leading supplier of healthcare products and biomedical equipment rentals and services to the home infusion market, announces the Sharps Disposal by Mail System Online Tutorial has been added to its library of online training materials. The tutorial demonstrates Sharps Compliance Corporation's industry leading collection of products and proper disposal methods to meet medical waste regulations.

The Sharps Disposal by Mail System is manufactured by Sharps Compliance Corporation, the industry leader in mail-back medical waste disposal. The system represents an innovative collection of disposal methods pioneered for medical waste. The Sharps online tutorial is a step-by-step video for customers illustrating the process of the Sharps Disposal by Mail System and proper disposal instructions.

MSD offers a full range of Sharps Disposal by Mail containers from 1 quart, to 3 gallons, to multipack configurations. All containers are designed to hold medical waste and constructed to withstand shipment through mail. All return boxes are government approved and traced from the patient, to the incinerator. Customers can view a variety of reports documenting container locations and even receive a certified proof of destruction for each Sharps container. Since Sharps complies with federal, state and local regulations, the Sharps Disposal by Mail system can be used anywhere in the United States.

According to Richard Worthen Vice President of Sales & Marketing, "Sharps Disposal by Mail online tutorial gives customers a step-by-step approach in preventing improper handling techniques while maintaining regulation standards."
