Medical Specialties Distributors, LLC (MSD) has created an online ordering solution for Vital Care Home Infusion Services.

Stoughton, MA – January 18, 2009 – Medical Specialties Distributors, LLC (MSD), the leading supplier of healthcare products and biomedical equipment rentals and services to the home infusion market, announced today they have partnered with Vital Care Home Infusion Services to deploy an online ordering solution for each of their locations.

Working with Vital Care's Clinical and Operational management, MSD has developed an online ordering platform which provides each Vital Care location a cost effective method for placing all of their supply orders.

Utilizing a new Voyager page on their web site, Vital Care employees now have a direct inbound link to a new landing page on MSD's website. This landing page allows users to directly log into their account while also providing information on monthly specials, featured products, and formulary updates.

According to Richard Worthen Vice President of Sales & Marketing, "this new program offers Vital Care an enhanced level of efficiency to help in lowering their total costs while improving their operations." Worthen continued these types of programs make "MSD the single best choice in alternate site medical distribution."
